

## Angel Tree Guidelines

### Deadline: December 2<sup>nd</sup>

Thank you for participating in the Angel Tree program this year. We have made a couple of changes this year. Each child has 2 angels on the trees. The first angel is a gift that they are wishing for this year. This has their age and gender as well. The second angel has a \$50 cash donation. We are planning to purchase gift cards for each child as their 2<sup>nd</sup> gift. We are asking for cash at this time and then planning to get gift cards all at once to one place, once it gets closer to delivery.

If you pick up an angel that has a gift to shop for, please spend between **\$25-\$40**. **Please do not wrap the gifts, we will take care of this.** Drop off your angel at the church by December 2<sup>nd</sup>.

If you pick up an angel with a cash/check donation, please let Elizabeth know you are donating for Angel Tree and let her know the name of the child. Please return your angel with your donation to the church office.

Please also sign out for which angel you are picking up with your name/phone number and email address.

If you have any questions, feel free to contact me!
